### REVIEWS

*"One of the few surgeons I have met who listens and who deeply seeks the source of the problem. I am delighted. With your help my quality of life has improved a lot. A surgeon and an excellent person!"*

*"The best: Rapidity in the diagnosis with a security that left me impressed; I trusted him absolutely."*

*"Jesus is the best neurosurgeon I have ever met. He is valid, humble, knows how to listen and is decisive. If it were not for him, I do not know what would have happened to me."*
